We are now selling **ENGRAVED BRICKS** and will be creating a **BEAUTIFUL WALKWAY** with them. This walk will first surround our new refreshment stand, and with time, wind it's way throughout the complex.

You have the chance to leave a **LASTING IMPRESSION**, which will be there **FOREVER**. Generations to come, will **APPRECIATE YOUR CONTRIBUTION** to the development of our great Marlboro Little League complex.

Where have I seen this?

There are many parks that have this type of walkway. The most famous would be **Disney World** in Orlando Florida.

- Words of wisdom
- Your favorite phrase or motto

When will they be installed?

Here's how it will work. We are selling bricks now and will have them engraved immediately. They will be laid down in sections at a time. Once we have enough bricks engraved to fill a section, we will have that section permanently installed. We will then start selling the next section, and so on.
